Rock Prodigy Timer App Privacy Policy

Great Trango Holdings, Inc. ("GTHI") is committed to protecting the privacy and security of the personal data of consumers who use the Rock Prodigy Timer App (the "App"). We want you to understand how we collect and use information from our App so you can interact with GTHI with confidence. By using GTHI's App, you accept and agree to the practices this Privacy Policy (the "Policy") describes.

If you choose to use our App, then you agree to the collection and use of information in relation to this Policy. The Personal Information ("PI") that we collect is used for providing and improving the App. We will not use or share your information with anyone except as described in this Policy. GTHI provides the App for consumer use and MAKES NO WARRANTY OF ANY KIND, EXPRESSED OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, TO THE USER OF THE APP OR ANY OTHER PERSON WHATSOEVER. BY USING THE APP, YOU ACCEPT IT "AS IS."

Information Collection and Use

GTHI does not collect any personal data from users of the App. The only data collected is whether the user's phone is locked or unlocked when they download and use the App.

Currently, GTHI only collects the following PI: IP addresses and operating system information, as further described in the Log Data section, below. GTHI does not collect any of the PI described in the paragraph below from users of the App. However, the App does use third party services that may collect information used to identify you, for example, Google Play and Apple. Link to privacy policy of third party service providers used by the App:

- Google Play Apps- https://play.google.com/about/developer-content-policy/
- Apple store Privacy -https://www.apple.com/privacy/

In the future, while using our App, we may require you to provide us with certain PI, including but not limited to the following: your name; email address; mailing address; physical location; company name; job title; phone number; financial information such as credit card or payment methods; transactional information

based on your activities on the App (including but not limited to purchases you make, purchase content, and searches conducted, as related to your account activity); correspondence sent to us through the App; browser type; web log information; date and time you use the App; other click-stream data. PI that we request may be collected and stored as described in this Policy.

Third-Party Websites and Social Media Features

GTHI's App may contain links to other apps or sites, including those of third parties or business partners. While we seek to link only to sites that share our high standards and respect for privacy, we cannot be responsible for the privacy practices other websites use. If you click on any third-party link, you will be directed to that site. Note that these external sites are not operated by GTHI. We strongly advise you to review the Privacy Policy of these websites. We have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services. It is possible that other parties may collect personally identifiable information about your online activities over time and across different websites when you use GTHI's App.

Log Data

Whenever you use our App, we may collect data and information on your phone called Log Data. This Log Data may include information such as your device Internet Protocol ("IP") address, device name, operating system version, the configuration of the app when utilizing our App, the time and date of your use of the App, and other statistics.

Cookies

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device's internal memory. This App does not use these "cookies" explicitly. However, the App may use third party code and libraries that use "cookies" to collect information and improve their services. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to use some portions of this App.

App Providers

We may employ third-party companies and individuals to facilitate our App, to provide the App on our behalf, to perform App-related services, or to assist us in analyzing how our App is used. If we do so, these third parties may have access to your Personal Information so they can perform the tasks assigned to them on our behalf.

Security

We value your trust in us and because Personal Information is so important, currently GTHI does not collect any PI from users of the App other than as described herein. We use commercially suitable physical, electronic, and managerial procedures to safeguard and secure the information we collect on our App. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

Children's Privacy

These Apps do not address anyone under the age of 13. We do not knowingly collect personally identifiable information from children under 13 as defined by the U.S. Children's Online Privacy Protection Act ("COPPA") ("Children's Personal Information") in a manner that is not permitted by COPPA, and for any children's or mixed-use portions of our Site (if any) we will comply with COPPA. In the case we discover that a child under 13 has provided us with personal information, we immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us so that we will be able to remove such data to the extent required by COPPA.
